Bachelor of Fine Arts (BFA) in Industrial Design| *Graduated with Honors*
Leadership Activities: 2nd Life Student Ambassador, Brown RISD XR E-Board, IDSA Finance Lead

Work Experience

Product Design Intern Jun 2026 - Present
Disney Consumer Products (Disney Signature Experiences) | Orlando, FL

- Produced **original product concepts** and **moodboards** to cross-functional teams (Marketing, Strategy, Sourcing, Merchandising, Brand Assurance) across Disney Cruise Line, Aulani, WDW Resorts, Disney Vacation Club, and Epcot World Showcase, ensuring alignment with brand guidelines, material quality, and pricing standards.
- Reviewed and evaluated product samples across 4 quarters and 10+ programs for color accuracy, sizing, print quality, and production execution, logging detailed vendor feedback and driving corrections through **strike-offs** and **lap dips**.
- Designed technical assets with **Adobe Illustrator**, including **manufacturing sheets**, **apparel tech packs**, **graphic art, line sheets,** and **pitch decks** for retail products (hardlines & softlines), applying material separation and specialty techniques.

Product Development Intern Jun 2025 - Aug 2025
Warner Bros. Discovery (Global Consumer Products) | Los Angeles, CA

- Developed 2D/3D **product and packaging mock-ups** for *Harry Potter, Looney Tunes, Tom and Jerry, Yogi Bear, Powerpuff Girls, Scooby-Doo and Gilmore Girls*, using **Adobe Illustrator**, **Photoshop**, and **Rhino 3D**.
- Designed concepts for plush, bags, bottles, headbands, shoes, slippers, hair accessories, and apparel.
- Proposed **original product concepts** for themed entertainment merchandise across 3 seasons and 5+ programs; conducted market research and trend analysis to generate mood boards and style guide references supporting early-**stage product development**.

Design & Finance Lead Sep 2024 - May 2026
Industrial Designers Society of America (IDSA) | Providence, RI

- Designed social media graphics and posters to support event **publicity**, maintaining a cohesive visual tone for student-led design initiatives.
- Oversaw internal **operations** and annual **budgeting**, managing funds for events and initiatives and **coordinating connections** between industry professionals, the RISD Industrial Design Department, and IDSA Providence.

UX Designer Sep 2024 - May 2025
RISD Astro | Providence, RI

- Designed the user interface layout for lunar mission rover controls as part of the NASA Spacesuit User Interface Technologies for Students (S.U.I.T.S.) Challenge in a team of five designers and one developer.

Design Lead Sep 2023 - May 2025
Fullstack at Brown University | Providence, RI

- Co-designed in a team of two designers and 10+ developers on full-stack client projects, focusing on front-end UI/UX design using **Figma**.
- Developed websites from lo-fi to hi-fi, including a consistent brand identity for each.
- Directed the design of three projects: Dr. Rangel's Research Lab, Aging and Cognition Lab, and Resumed Undergraduate Student Association.

Industrial Design Intern Jun 2024 - Aug 2024
LKK Design | Beijing, China

- Created **client-preferred designs** with a multidisciplinary team, using hand sketching, **SolidWorks**, **Rhino 3D** modeling, and **KeyShot** to develop and present industry-level projects to clients.
- Collaborated with doctors to design **user-centric medical equipment**, focusing on ergonomics and usability.
- Teamed up with industrial designers and hardware engineers to ensure products moved from design ideation through factory development.

Design Intern Feb 2024 - May 2024
Vosyn LLM | Remote

- Collaborated with cross-functional teams to design the second iteration of the Vosyn.ai website.
- Ideated with the web team to design graphic features showcasing the company's accessibility and privacy policies.
